- 1) **How did you happen to hear of me?**  
**I called about one of your listings**
  
- 2) **How would you rate my performance?**  
**Incredible. In over 50 years of real estate investing I have never met anyone as competent, capable and willing to work for me in every aspect of a transaction. I always felt you truly were representing my interests. You thought of things that I would not have thought of going into a new regional real estate market. You seem to know everyone so you refer me to the best of the best. It makes my life easier and me much more confident in my investing.**
  
- 3) **What did we do for you that you found most valuable?**  
**Thinking of things that had to be done and advising me to do them in a timely manner. Connecting me with the local experts so I did not have to have a hit or miss with advisors, contractors etc. Just the time saving and confidence was really incredible and I've never really experienced it in such a comprehensive manner.**
  
- 4) **What didn't we do for you that would have helped out?**  
**You are the best. There is nothing you didn't know. Please believe me, this was an incredibly wonderful experience.**
  
- 5) **May we use you as a reference in the future?**  
**Absolutely.**

Sincerely,

ANN P.
